## Signing up for a Free Tier Account with AWS

**Step 1:** Open <https://aws.amazon.com/console/> and click on **Create a Free Account**.

**Step 2:** Fill up the required details and click on **Continue**.

A screenshot of the 'Create an AWS account' form. The form is titled 'Create an AWS account' and is set against a light gray background. On the left side, there's a text block that says 'AWS Accounts Include 12 Months of Free Tier Access' followed by 'Including use of Amazon EC2, Amazon S3, and Amazon DynamoDB' and 'Visit aws.amazon.com/free for full offer terms'. The form fields on the right are: 'Email address' (text input), 'Password' (text input), 'Confirm password' (text input), and 'AWS account name' (text input with a help icon). A yellow button labeled 'Continue' is highlighted with a red box. Below the button is a link that says 'Sign in to an existing AWS account'.

**Step 3:** Select the account type, complete the fields below with your contact details, and click on **Create Account and Continue**.

Please select the account type and complete the fields below with your contact details.

Account type ⓘ  
☐ Professional ☒ Personal

Full name

Phone number

Country/Region

Address

City

State / Province or region

Postal code

☒ Check here to indicate that you have read and agree to the terms of the [AWS Customer Agreement](#)

**Step 4:** Enter your Credit/Debit card number, fill up other payment information and click on **Secure Submit**.

Please type your payment information so we can verify your identity. We will not charge you unless your usage exceeds the [AWS Free Tier Limits](#). Review [frequently asked questions](#) for more information.

As part of our card verification process we will charge INR 2 on your card when you click the "Secure Submit" button below. This will be refunded once your card has been validated. Your bank may take 3-5 business days to show the refund. Mastercard/Visa customers may be redirected to your bank website to authorize the charge.
